

# HOLY CROSS PRIMARY SCHOOL - WOOLLOOWIN

## STATEMENT OF SPECIAL RELIGIOUS CHARACTER

Holy Cross School's Statement of Special Religious Character reflects both our traditional and evolving religious charisms.

In 1890, our parish school was founded by the Sisters of Mercy. Their commitment to serve others is still demonstrated today:

- by our desire to follow God through our actions
- through our service and outreach to all people in our community – families, staff, parish and friends
- by the Cross as a sign of hope and a constant reminder that we must give of ourselves for others
- with respect for individuality and diversity through a culture of inclusion
- in our dedication to learning and teaching in a safe, welcoming and happy environment
- through justice, mercy, spirituality and celebration
- through our Catholic faith fostered in our daily prayer and liturgical and sacramental practice.

Most importantly, life at our school reflects our school motto - ***"WITH GOD FOR OTHERS."***
