IT’S TIME TO GET STARTED

With only 11 weeks until Festival 2012 it’s time to get started.

Saturday 31 March from 9 am – 12 pm will be the first drop off-time for Trash and Treasure.

You can bring large, good quality items to ‘the Green’ for storage until Festival time.

More drop-off times will be published after the Easter break. After Easter we will be able to accept smaller items including clothing, books, DVDs and more.

In next week’s newsletter, you will receive a detailed list of other items you can start collecting in coming weeks.
