Sadly Thomas McIvor’s (year 1W) dad, Mark was diagnosed 2 weeks ago with an aggressive oesophageal and gastric cancer. Mark is a loving husband to Karen and devoted dad to their two young sons, Thomas 6 and William 4.

We have all been touched in our lives by this ravaging disease in one way or another, and most of us ask the question....

“What Can I Do To Help?”

Well here is something tangible you can do

On Sunday the 15 April, 2012, a fabulous Family Fun Day is being held to support this lovely family. THE HOLY CROSS COMMUNITY can support the McIvor’s by bringing your family, and all of your friends, to show this family how love and belonging to a community can help ease some of their burden.

There will be face painting, fairy floss, jumping castles, games, entertainment, live music, BBQ, home made delights, a chai tent, drinks, relaxation and loads of fun for all of your family and friends.

Holy Cross will be running a Sausage Sizzle Stall and a Crazy Hair Stall. Details of the location and time will be finalized early next week.

OTHER WAYS TO HELP? We are accepting cash donations to help support the stalls and all profits from our stalls will go to the McIvor family to assist them at this very difficult time.

For all inquiries please contact:
Natalie 0411 412 812 or Kate 0403 829 083
(Year One parents)

Please keep the McIvor family in your thoughts and prayers.
